

STATE OF CONNECTICUT
EXECUTIVE CHAMBERS

JOHN G. ROWLAND
GOVERNOR

June 27, 2003

The Honorable Susan Bysiewicz
Secretary of the State
30 Trinity Street
Hartford, CT 06106

Dear Madam Secretary:

On June 26, 2003, I returned P.A. 03-194, *An Act Concerning the Provision of Air for Tire Inflation Purposes*, to you without my signature. Since then, it has come to my attention that a typographical error appears on my veto message.

Specifically, the second paragraph should read as follows: This bill requires gas station operators who dispense less than 10,000 gallons of motor fuel and are licensed as retail food stores to provide an air compressor for the purpose of tire inflation for free public use.

Sincerely,

JOHN G. ROWLAND
Governor
